

# BRANSON & SARASOTA SERVICE UPDATES

Faith Life Church Family:

## IN BRANSON

The city officials in Branson have voted to EXTEND the ordinance that “requires individuals to wear face coverings while in indoor and outdoor public spaces unless they are engaged in certain activities or under the age of thirteen.” The ordinance has been extended to October 14.

Face coverings must be worn by everyone age 13 and older, inside and outside of the church buildings. However, once you are at your seat in the Sanctuary, you may remove your mask during service.

Please bring your own mask if you have one. If not, we will provide one for you.

## IN SARASOTA

Sarasota County officials are not requiring that masks be worn outside of the Sarasota City boundaries, so at FLC Sarasota, you are not required to wear a mask. Of course you may wear a mask if you prefer. Staff and volunteers will continue to wear masks except during service.

## BOTH LOCATIONS

If you have symptoms, please stay at home. You can join the services live from the church websites, Roku, and YouTube, and we still have a new Children’s Church virtual service each weekend as well.

## WEEK OF INCREASE

We will still be having our Week of Increase Meeting in Branson this October 5-9. Seating arrangements will look a little different than previous years, but we know the Lord has great things planned for this meeting! Services will be live streamed to Sarasota and online.

## WEEKLY MEETINGS UPDATE

We ARE having Wednesday evening prayer at both locations.

ALL Youth ages 13-18 will now be meeting together every Wednesday evening, at both locations.

Faith For Life Classes and Healing Classes are still NOT meeting until further notice.
